Zoës proudly supports local Virginia Farms & Seafood. We try to incorporate these items into our menu as much as possible. Some items may be in limited quantity, this is because we only want to present to you the very best we can find. Thanks to Dave & Dee for helping small farms reach our doorsteps. We are also proud to serve what we consider the best in steaks, Certified Angus Beef® brand. Prices may vary due to market changes and as always, we will do our best to keep them low. As before, if you feel in need of something to make your evening more memorable, please ask. 🍷

Cheers,

Jerry and the rest of the kitchen crew (Matt, Nat, and of course, Bryan, and now with more Jeff.)
